### Maths

Maths practise sheets/  
investigations.  
TIMES TABLES

These are all given out on a Wednesday and are due in the following Monday.

## Year 5 & 6

### Home Learning Spring Term

### Wonderful Water

## Topic Project

Visit somewhere linked to water (this could be as exciting as you want- seaside, rivers or even your bathroom if you can't get out and about). Tell us about your visit in anyway you like (bring photos, do a poster, write a recount etc...). What did you find out about this watery destination? What links can you make to what we've been covering in class?

Bring them in to share as you visit places through the term. There is no due by date.
