Year 5 & 6

Home Learning
Spring Term

Wonderful Water

Topic Project

Visit somewhere linked to water (this could be as exciting as you want- seaside, rivers or even your bathroom if you can't get out and about). Tell us about your visit in anyway you like (bring photos, do a poster, write a recount etc...). What did you find out about this watery destination? What links can you make to what we've been covering in class?
