

## Oakfield Primary School – Modern Foreign Languages

We believe MFL is essential for opening up our children to other cultures and experiences. It helps to ignite their curiosity and deepen their understanding of the world. Enabling the children to express themselves in another language, both in writing and orally, also gives them a wonderful sense of achievement and fun. In the long-term it provides a foundation for the children to build upon, should they choose to learn other foreign languages or study or work abroad later in life.
