

Oakfield Primary School

Sports Premium Anticipated Impact 2017/2018

Context

Oakfield Primary School recognises that Physical Education is a vital part of education and encourages children to reach their full potential. It also is an important vehicle to encourage many of the British values such as tolerance, mutual respect and the rule of law. Our aim is to, regardless of ability or sporting experience, ensure all children engage and are inspired to take part in PE and after-school clubs. Our children have access to a well-taught, high quality PE curriculum and the opportunity to develop a long-lasting love of sport and exercise.

Allocation 2017-2018

:

Grant in Financial year April 2017-August 2018: £17,770
October 2017 - £10,366
April 2018 - £7,404

To further develop our provision for PE at Oakfield Primary School, our funding will be spent on the following:

Impact of Sport Premium expenditure 2017-2018

Cost	Information	Intended Impact	Evidence
£ 2,000	<p>New Forest School Sports Partnership</p> <ul style="list-style-type: none"> • County wide, inter school competitions organised and delivered by experienced staff and pupils from the Testwood Sports College, Southampton. • Route into Hampshire County Championships. • Part of the Sainsbury's School Games network. • Training and CPD offered by experienced PE professionals. • REAL PE resources and training provided. • Subject leadership training • Change for Life club 	<p>The opportunity for pupils to participate in a range of competitive, inter school competition is key to their sporting development. Children gain invaluable experience and learn to raise their game when it counts. Pupils gain hugely in confidence and enjoyment as well as developing their skill set. The team ethos, sporting values of respect for all, hard work and resilience are all perfectly transferable to other aspects of children's lives.</p> <p>The organised competitions allow the school to give many children the opportunity to try something new and broaden their horizons. The benefit to self-esteem is enormous.</p> <p>A teacher new to the school has taken on the role of Sports and PE leader this year. Being part of this partnership will enable this member of staff to attend PE leader co-ordinator meetings and PE leader training. The new leader will raise the profile of PE and Sport across the school</p> <p>Staff training and CPD enhances the quality of teaching provided. This will build capacity and capability of the teaching of PE.</p>	
£10,000	<ul style="list-style-type: none"> • Replacement of fixed play equipment on KS1 playground 	<p>This will enable all KS1 children have more active playtimes as well as use during continuous provision</p>	
£800	<ul style="list-style-type: none"> • Equipment and consumables, allowing teachers to facilitate the teaching of the curriculum, differentiating PE lessons to cater for all levels of ability. 	<p>Throughout the course of the year, we need to ensure the equipment such as footballs; bibs, cones, swimming aids etc. are in good order and of sufficient quantity to allow the efficient teaching of the curriculum.</p>	

£400	<ul style="list-style-type: none"> Inclusive sporting equipment and opportunities for children with Special Educational Needs. 	Ensuring all pupils can access the curriculum through differentiated equipment. In particular equipment which can be used by pupils in a wheel chair, visual impairment and those with gross motor difficulties.	
£1300	<ul style="list-style-type: none"> Real Gym inset training for whole school 	Staff to deliver high quality lessons with increased confidence and allow pupils to make increased progress. This will start with Gymnastics coaching in Autumn term.	
£1,500	<ul style="list-style-type: none"> Real PE training for new members of staff 	All staff able to deliver high quality PE lessons+	
£,1000	<ul style="list-style-type: none"> Cover for teacher and LSA time when attending sports competitions. 	Teachers and LSAs will need to attend sports fixtures during curriculum time.	
£770	<ul style="list-style-type: none"> Minibus hiring and fuel costs 	Many of the sporting fixtures require travel of half an hour or more.	

74% (20/27) Year 6 children can swim competently, confidently and proficiently over a distance of at least 25 metres

74% (20/27) Year 6 children can use a range of strokes effectively

41% (11/27) Year 6 children can perform safe self-rescue in different water-based situations
